# PRODUCTS AND SERVICES

**HR Consulting Services:** PrioritySky works hand-in-hand with leading HR consultants to bring cost effective solutions in the area of Organisational Transformational and Reengineering, Compensation & Reward Management, Performance Management, Competency Modelling, Leadership & Talent Development, Executive Coaching, Organisational Learning and Development.

**Strategic Business Retreats:** Corporate facilitation and executive retreats are designed to reflect, influence and rethink your organizational or departmental values, identity and purpose. The benefits of taking time for an organizational retreat are meaningful and help in setting direction and achieving focus in any organization. Our experienced facilitator actively monitors the external environment, understands business processes, and is prepared to challenge internal assumptions that will act as a catalyst for achieving more robust strategies and plans. We will take the responsibility for managing team effectiveness to ensure that all members are able to contribute their full potential.

**Professional Training Workshops:** PrioritySky under the flagship, Inspired Learning, brings together the best master trainers who are highly passionate about learning to provide top quality training. All our trainers are highly competent in Neuro-Linguistic Programming and Experiential Learning Methodologies. We believe that quality sells, and the needs of our clients rise above all else. People learn best through hand-on experience and recognizing that all our workshops are specially crafted to be highly interactive, fun and experiential. We manage highly sought after trainers specialized in Team-Building, Professional Sales Skills, Public Speaking Skills, Communications Skills, Management, and other soft skills modalities.

**Customized Content Development:** We appreciate that each organization has unique learning needs that require unique solutions. Our aim is to help you effectively achieve your learning objectives. Do you want to train your employees on internal processes? Master new sales techniques? Understand new product features? Speed up the adoption of specific software? We develop custom content or enhance your existing training programs to create superior and compelling training content that helps you achieve your specific learning and business objectives.

**E-Learning Solution:** Subscribers of SkyLearner will be able to learn the secrets and the successful strategies of the world's foremost experts and gurus in intimate interviews, workshops, and seminars.

## PRIORITY TRAINING SERVICES

**Public Programs:** PrioritySky offers Neuro-Linguistic Programming [NLP] and Trainer Certification programs. These programs are HRDF claimable.

**MasterClass Series:** With thousands of business and management books published each year, a busy business executive don't have the time to weed through all business pages and immerse themselves over new key ideas and concepts. It's the executive dilemma of the age; information overload. The MasterClass Series offers a 4 hour Executive Précis by renowned speakers.

**MiniWorkshopSeries:** New Approach and Fresh Approach to training. Powerful and Compact 4 Hour Workshops delivered by MWS Licensed Trainers. These workshops are specifically designed to be as effective for large numbers of participants as they are for smaller focus groups. We have over 70 competency based titles to meet your every business needs. The workshops are independent of each other and are divided into various learning tracks.

### Licensing Options:

Think **INSIDE** The Box  
TRAINERS KIT

**Trainers Kit:** We offer licensing options for our off-the-shelf Trainer's Kit. We save you time, money and help increase your productivity by offering you a library of high quality, customizable training materials that you can easily incorporate into your organization. This is a new way for managers and trainers to deliver high quality training faster, cheaper and better.

**MWS Licensed Trainer:** To ensure high quality delivery of the MWS Trainings, the trainers are required to license the right to train the MWS Trainers Kit ; this is an accelerated path to being a professional trainer. The trainers will undergo extensive trainings and learn how to utilize NLP, Hypnosis, Accelerated Learning Techniques, experiential methodology to help bridge the knowing and doing gap for your audience.

**MWS Learning Hub:** Specifically for strategic training providers, institutes, training academy and event organizers that offers MiniWorkshopSeries programs to the public and organizations.
