

SELF MASTERY Is The Foundation Of Understanding One's Own Patterns Of Thought And Behaviour. The Awareness That Comes From This Allows You To Make Dramatic Changes And Enhance Every Aspects Of Your LIFE!

NLP Practitioner Certification Program

NLP is the leading edge technology of **EXCELLENCE**. You may have heard that NLP is particularly powerful in the areas of communication, influence and change. You may be aware of some of the **ASTONISHING RESULTS** that NLP can deliver.

Now is your opportunity to **EXPERIENCE IT FIRST-HAND** and begin harnessing its power for yourself.

NLP: Are You Ready For It?

Experiencing NLP is like taking "The Red Pill". NLP is designed to wake you up to the Matrix of the frames of your mind so you can discover how to manage your mind, take charge of your life, and make your dreams for greater effectiveness, success, health, and happiness come true.

At the end of the workshops you will have a strong vision for your own life and the **self empowerment** to move towards that vision. You will learn about **Interventions** for effective living because it covers a range of techniques to rid you of old ineffective beliefs, behaviours and habits of thinking. You will find it deepens your ability to **influence** others and gives you some strategies for **modelling** expert performance and creating lasting change.

Whether it is creating better health, relationships, sales ability or transforming a career these modules will enrich your life. It is designed to deepen your ability to assist yourself and others through the application of NLP **techniques**. Effective information gathering is at the heart of understanding the appropriate NLP intervention.

You will further enhance your ability to pay attention to your **language patterns** when eliciting information and develop **patterns of excellence** when communicating with others. You will also gain a further depth of insight into your own ways of processing information.

"Today is the first day of my empowered and enlightened life. From the depths of my heart I sincerely thank Nellie for introducing me to a whole new world of fun and discovery of unimaginable human potential to tap"

~ Sathia Naragan - Entrepreneur

"This course is an eye opener to a lot of things and aspects that I've taken for granted all these while. A definite must for all levels of executives & staff so that it will improve their character and self esteem for the betterment of self & the company."

**~ Suhaimi Abdul Aziz
Deputy Head of Technical OPUS International**

“NLP Is All About Applying Principles To Ourselves, To Close Our Knowing And Doing Gap And Unleashing Our Potentials At The Highest Level.”

Who Should Attend?

Anyone who wants to take their life to the next level by having the skills to consciously be aware of the way they feel, think and operate; and to be able to make clear powerful choices.

The NLP Certification Course Structure

Module A: During the first three days you will be introduced to what NLP is and how it can be used.

You will carry out a number of practical, concrete exercises and engage actively in communication, and the basic ideas of NLP to:

- Opening Your Sensory Awareness
- Master The Movie Of Your Mind.
- Calibrating, Creating Rapport, Being Flexible.
- Meta Model And Meta Stating Questions.
- Define Your Personal Well Formed Outcomes.
- Work On Your Ability To Manage Your State.

Module B: In this module, you will begin to integrate more of the techniques and models of NLP and you will learn how to:

- Resolve Conflicts.
- Elicit Values, Beliefs, Etc To Empower Your Lives.
- Use Timelines, And Work On Managing Your Own Inner, Resourceful Conditions.
- Master The Ericksonian Language Patterns To Influence Others.
- Conquer Any Phobia or Fear That Stops You From Being Your True Self.

On the final day, you will demonstrate that you have integrated what you have learned. An internationally valid NLP Practitioner certificate will be issued when you have shown satisfactory presentation on how you use NLP as a life tool to enhance your life and those around you.

You Should Attend If You Want To:

- * Accelerate Your Own Growth And Development.
- * Learn More About Modeling And Replicating Talent.
- * Understand People Patterns And The Structure Of Human Personality.
- * Be A Transformational Agent, A Manager, Leader Or Entrepreneur And Are Responsible For Driving Changes.
- * Know How To Work With Beliefs, Criteria And Values.
- * Master The Art Of Influencing People.
- * Able To Help Others Reach Their Potential.
